

SCALABLE CO-MANUFACTURING FOR LEADING NATIONAL BRANDS

The **Bison** Foods

We provide advanced full frozen bakery and dough lines designed to protect your margins and unlock distribution capacity without capital outlay.

FSSC 22000 Certified Facilities

ARTISANAL FOCACCIA RANGE

Artisanal Focaccia Range

Industrial scale meets **artisanal**
soul with hand-topped olives
and peppers.

Our facility delivers high-volume production capability without compromising the rustic, hand-crafted appearance that defines premium focaccia.

| Frozen Puff Pastry Solutions

High-growth, premium-margin dough solutions engineered for industrial scale.

- Strict adherence to your proprietary formulations
- Custom configurations for specific production requirements
- Unrivalled consistency across high-volume output
- Precision lamination for superior flake and texture

TECHNICAL FOCUS

Engineered for 24/7 high-volume reliability and precision.

PRODUCT BENEFITS

Premium Cinnamon Rolls

Consistent quality meets high-margin growth.

Our premium rolls are delivered frozen for peak freshness and operational simplicity, engineered for high-growth segments demanding artisanal quality at scale.

- Flash-frozen for oven-fresh aroma
- Optimized for premium-margin retail
- Consistent industrial-scale quality control

Texas Toast Co-Manufacturing

Classic thick-cut, buttery Texas toast built for national scale.

- High-volume production for national brands
- Scalable infrastructure for demand spikes
- Flexible capacity for seasonal volume shifts
- Consistent quality across large-batch runs

PRODUCT SPOTLIGHT

Traditional Dinner Bun (Frozen)

**Authentic Indian heritage meets
modern cold-chain efficiency.**

- Traditional fluffy texture via quick-freezing
- Extended shelf life up to 24 months
- High distribution elasticity for global supply
- Zero-compromise quality for food service

INDUSTRIAL SCALE READY
